

Bob said ~~sex~~ Rape Kit Requested? Atkins said yes.
then reported it wasnt done.

I went to have them document her symptoms.
Since no one believed me, Police told me to gather
evidence. Jansz at Nov 13 contempt hearing
(for denying visitation for sex abuse) told me I
needed more corroboration.

Doctors Recommended Rape Kit. I denied
their request. I did not request Rape Kit.
They recommended it so that they wouldn't
contaminate sex abuse evidence during
~~Reg~~ Regular exam - all I went there for.
